PEARL BLIND CAVE FISH
(Anoptichthys jordani)

The Wonder of the Century! Fish that live and reproduce in caves hundreds of feet below ground and because of the darkness, need no eyes. Therefore, nature took the eyes away. Undoubtedly these fish will be the center of attraction in your place of business, as they are very unique and far from helpless, being able to compete for food with any fish in a crowded aquarium. Somehow, they sense food.

In color they are a beautiful Pearl with scales reflecting a lavender sheen and fins a delicate pink. GET SOME FOR THE ATTRACTION THEY WILL BE TO YOUR ESTABLISHMENT. Newspapers will give such fish a write up, which should be good advertising.

PER PAIR \$.90 - 6 FISH FOR \$2.50
12 FISH FOR \$4.80

REAL BLACK SWORDTAIL !!!

Newest perfection of the century! Body 2/3 to 3/4 Black with glistening scales showing Blue and Green. This stock is guaranteed to grow full long swords as true Swordtails. Also it is not like the Hybrid Spike Tail Helleri. IT BREEDS TRUE almost 100%.

BREEDING PAIRS \$3.00 PER PAIR - 3 PAIR FOR \$8.00
6 PAIR FOR \$15.00 - EXTRA FEMALES \$1.75 EACH

NO EXTRA MALES SOLD AT PRESENT

RED FIN WONDER FISH (From China)

These fish were recently written up in all aquatic magazines as the Newest and most beautiful find. Our stock is the Eastern variety, which in the last issue of The Aquarium (February 1939) has been reidentified as Aphyocypris pooni.

LARGE BREEDERS \$1.25 EACH - YOUNG \$.65 EACH

BARBUS TITEYA (Ceylon)

"Cherry Barb"

A very highly colored little fellow about 1" to 1 1/4" and always in great demand. These little fish are continuously courting their females.

EACH 20¢

GOLDEN PEARL DANIO

A more highly colored variation of the Brachydanio albolineatus. They remind you of gleams of sunshine and certainly brighten up an aquarium more than any fish we know of.

EACH 8¢

AFRICAN TAIL SPOT TETRA

Newest and only novelty Tetra from Africa that is catching everyone's eye. A lively fish with a deep black stripe in the center and a golden stripe above this, as well as a triangle spot in the tail. They will display beautifully for you and sell easily.

EACH 12¢

APHYOSEMION (Fundulopanchax) LOENNERBERGI !!

The fish all real Fanciers and Fancier-Dealers have been asking about. An Emerald Green fish with Blue and deep Yellow tintings and fins edged with phosphorescent White. Very RARE.

NICE BREEDERS \$1.50 PER PAIR - 6 FISH FOR \$3.75

→ PACHYPANCHAX (Panchax) "PLAYFAIRI"

A very colorful old timer that is coming back. Gleaming Red dots on a background of Yellow and Orange in both body and fins, with anal fin edged in Red. Easily kept with such fish as Livebearers and Air Breathers.

NICE BREEDERS 18¢ EACH

RIVULUS HARTII

A beautiful and very peaceful old time favorite and always appreciated in a collection of fish. Because of the continuous call for this fish, we have now raised a good quantity and offer them to our many customers who have been asking about them. In color they are a warm Grey to Pink with beautiful dots of Red which form in rows. The tail fin is Yellow on the upper and lower edges, Black adjoining the Yellow.

SPECIAL PRICE UNTIL NEW LIST COMES OUT - 25¢ EACH

BLACK FINNED RED SWORDTAIL

New novelty fish with Red body and fins in Black Pen and Ink stripes. An outstanding fish that sells on sight.

LARGE BREEDERS \$2.00 PAIR - YOUNG 1/2 to 3/4 Grown (Unsexed) 60¢ EACH

 in any quantity.

FOR OTHER FISH NOT LISTED HERE, REFER
 TO OUR WINTER SEASON PRICE LIST

AQUARIUM SPIDER PLANT (Cyperus haspan)

Our Newest introduction (from Central America) to the Aquarium hobby. Its great advantage is that it will grow in situations lacking sunlight. Is a good oxygenator and very attractive, as well as hardy and will live under conditions that would kill off Sagittarias and Vallisnerias. PLANTS AVERAGE 8" to 16" IN SIZE.

PER PLANT 5¢
 * * * * *

NEW GIANT TROPICAL PERSICARIA SPECIE

Extra large green leaves from 3 1/2" to 5" long and about 2" wide. Very RARE.
